

Sinclair stations use public airwaves free of charge, and are required by law to serve the public interest. One-sided programs, like "Stolen Honor", do not serve the public interest and are harmful to our democracy. Please do not have your stations air "Stolen Honor," or if you do, please be sure to air a pro-Kerry program like "Going Upriver" shortly after, during the SAME TIME SLOT, BEFORE THE ELECTION. Thank you.

They are blatantly two faced, when "the Fallen" was to be aired, Sinclair said it would be "only politically motivated". Now they have decided that as long as they agree with the politics it is OK to broadcast politically motivated programming. This is not OK with me...

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy. Instead of something produced at "News Central" far away, it's more important that we see real people from our own communities and more substantive news about issues that matter.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
